MEMORANDUM FOR: Deputy Director for Administration

25X1A FROM : [REDACTED]
Acting Director of Security

SUBJECT : Office of Security Significant Activities -
Week of 7 June 1976

REFERENCE : DD/A Administrative Instruction No. 74-5

1. This memorandum is for information only.

2. The activities of the Office of Security during the week 7-11 June 1976 were highlighted by the following items:

a. Security support was afforded the DCI on 7 June during an appearance before the Defense Subcommittee, House Appropriations Committee.

b. On 8 June, the Office of Security sponsored a meeting of office staff members and officers of other Agency components concerning inspection and accreditation of storage facilities for compartmented and collateral classified information. As a result, this Office will explore possible benefits of automating inspection accreditation data as an aid to improving a data base involving matters of common interest.

25X1A

e. On 8 June, security assistance was afforded a staff employee and his family returning from [REDACTED] because of an emergency medical problem.

g. The Reinvestigation Repolygraph Program was temporarily interrupted during the week to accommodate about 200 backlogged pre-employment interviews. Target date for disposing of the backlog and resuming the Repolygraph Program is 30 June.

25X1A

h. The Office of Security, on 6 June, acted on a crank call received by the mother of an employee in [REDACTED] which alleged the employee's death. Appropriate action established that the employee was safe and well and his immediate family was so advised.
